Mobile: 07493775193  
Email: ryanroy1912@hotmail.co.uk

### **Personal Profile**

I am a well organised, trustworthy and positive individual who works hard to achieve my full potential. I am a team working individual as I have played for many football teams and can easily adapt to work with other people. Also, I went on national citizen services which also helped me communicate with others as we did activities to improve teamwork. My strengths include reliability, determination and consideration for others. I am eager to learn and looking for a position that will develop my skills.

### **Education**

**BSc Honours Computer Science for Games at Sheffield Hallam University**– currently studying modules:  
Fundamentals of computer architecture: Fundamentals of programming for games: Introduction to game development: Mathematics for graphics: Professional experience and project development: System modelling for games

#### **Dearne valley 2017-2019**

Level 3 diploma in It and computing: (DMM)

#### **Rawmarsh community school 2012-2017**

9 GCSEs grade A-C including Maths and English

### **Work Experience**

#### **Next sales support**

This was temporary, for the Christmas sales. My job role was to help prepare for the Next sale. This included pricing and merchandising stock.

### **Skills**

#### **Communication**

- Outstanding communication skills developed through football and Esports to be able to manage players
- Presented many PowerPoint presentations to others throughout my academic years on IT related subjects

#### **Team work**

- Experienced in working with teams as I have played in high division football since 2005-2017, and I'm currently playing for SHU team one Overwatch team which requires managing other players

#### **IT skills**

- Designed websites and developed games for my course at college
- Can easily work with all Microsoft office software
- Can work in C++, C#, HTML and CSS
- I am familiar with software such as Unity, Blender, Unreal Engine and Visual Studio Code.

### **Outside Interests**

#### **SHU Esports Society**

- Organising team strategy to win tournament games

- Fluently managing the team on how to approach our strategy
